COMMUNITY PERMISSION FORM

Dear Parent(s) or Guardian(s),

On occasion, the teachers at Eardley School would like permission to take your child's class off campus. Depending on the age of your child some possible reasons could be to take a walk, a run, go geocaching, go to the Marina, hike in Boucher Forest, have a picnic, play at a nearby park or skating rink, explore the local community garden, or participate in a whole school activity like the Terry Fox Walk. All activities will be geared towards your child's specific grade level and ability and this blanket permission form will eliminate the need for multiple forms throughout the school year.

If your class' teacher is planning an activity you will likely be informed through their typical form of communication although please understand that some trips may be sporadic like talking a walk or jog in physical education class. If you are not comfortable with this request, please sign and return the form with a "No" indication and arrangements will be made to have your child supervised in an alternate location while the class participates in the planned activity.
