KINDERGARTEN AND K4 REGISTRATION

Our registrations will be taken care of by Kim Teske, our school secretary.

The five-year-old and four-year-old Kindergarten registration will be in February this year.

Your child must be turning 5 years old before September 30, 2021 to register and attend five-year-old Kindergarten.

To register for the four-year-old Program your child must be 4 years old by September 30, 2021. Please take note that this program is only allowed a maximum of 17 students; therefore, if we receive more than 17 registrations we will hold a lottery to determine who will fill these 17 spots. A waiting list of 5 registrations will be kept.

To register you will require:

- Certificate of eligibility of the child, parent or sibling declared eligible
- Child's long form birth certificate with the names of both parents
- Canadian Citizenship for parent who will render the child eligible
- Quebec drivers licence, lease/deed and utility bill

All registrations will be completed via email, if you do not have access to print and scan please let Kim Teske know @ kimteske@wqsb.qc.ca so other arrangements can be made. The Ministry of Education will only accept applications which are completed in **BLUE** pen.

If you are registering a younger sibling, please let Kim know the older child's name.

This is for new students only; re-registrations will be done at a later date via the Portal.
