

Free 2-Part Online Webinar Series for Parents, Guardians & School Staff

SUPPORTING YOUR CHILD'S LANGUAGE DEVELOPMENT (0-5) - BILINGUALISM

Thursday, January 28 & February 4 | 7-9 PM

*With special guest, Kristy Findlay, M.Sc.O(C) Speech-Language Pathologist,
co-founder of Centre Mosaïque de Québec Clinique d'orthophonie*

How does bilingualism impact language development in children 0-5? How do we prepare a child for school entry in a language other than the one(s) spoken at home? Spend an evening with us discussing bilingualism and multilingualism from 0-5 years of age. Bring your questions, concerns and curiosities!

To participate in either of these two Zoom Webinars, please contact us at 819-557-0615 or info@centreconnexions.org
