

March 8, 2021

Dear Eardley Community,

Outdoor education is an important part of Eardley's focus and values, so we were inspired to hold a fundraiser that aligns with that. We are aiming to raise \$500 towards the "Raise the Roof" project.

For our first fundraiser in conjunction with this project, we have chosen to be a part of the Plantables School Fundraising Program.

Every box of plants purchased helps us get closer to our goal. 10% of the total of every order you place will be donated to Eardley Home & School for this project.

Who are Plantables?

Plantables are an exciting new startup based in Forest, Ontario that grow healthy, hardy and happy fruit and vegetable plants and ship them to arrive at your door exactly when they need to go into the ground.

That means that no matter how busy you are, how unsuccessful you have been at growing plants before, or how many little hands want to help out, you'll be able to grow brag-worthy fruits and veggies in no time.

All you have to do is pick what plants you want to grow, choose when you want them delivered and wait for your box of garden-ready plants to arrive at your doorstep.

How does the program work?

All you have to do is tell everyone you know to go to plantables.ca and enter our code: **EARDLEYHS** at the checkout.

We are very excited about this fundraising program and being able to offer healthy family fun to our community while raising funds to help "Raise the Roof".

Thank you in advance for your continued support!

Eardley Home & School Team
