

GRADUATION DAY SCHEDULE

Friday, June 18th @ 8:15am

Happy Gradation Day! We are so excited to celebrate Eardley's graduating class of 2021. Grade 6 students are encouraged to dress to the occasion and prepare for a fabulous day. See the schedule below for all grad activities.

- At your designated class time, arrive with your family, park in our parking lot (upon availability) and make your way through the Grad Parade (bus lane) to receive your swag & certificate. A photo area will be ready and waiting for you to take pictures with your family.
- * As Public Health's guidelines have recently changed; each class has been assigned a designated time to walk the parade. You may ONLY come with your family during your classes assigned time. All adults, including family members must wear masks and physically distance (2m) from other families.
- Once your child's designated class time has ended, the graduates will join their homeroom teacher and parent(s)/guardian(s) of the assigned class will **leave** (this is to ensure we are following Public Health protocol and allowing the next classes families to enjoy the grad parade)
- With the help of Home & School, the graduates will be provided lunch and dessert. Please bring water and snacks. After lunch, the grade 6s will participate in a socially distanced dance in the gym. The entire graduating class will then get to watch their digital graduation yearbook.

Time	Class
