**Procedural Masks No Longer Required in Class**

Dear Parents, Guardians, Students and Staff,

Further to a letter from the Deputy Minister of Education, Mr. Alain Sans Cartier, students will no longer be required to wear masks during class time effective June 8. Grades 5 and 6, as well as all secondary students, will still be required to wear procedural masks in common areas and on the school bus. In addition, students in the adult and vocational sectors will not be required to wear masks in class, but will be required to maintain physical distancing measures.

Please refer to the following link from the health sector for more information:
