Dear Parent(s) and Guardian(s),

This memo is to inform you that today we had a lock-in at Eardley Elementary. The lock-in was called as a precautionary measure due to unwanted guests in the school yard; therefore, a lock-in was performed and the Gatineau Police were on site. Please be rest assured that the Emergency Preparedness Plan was followed and all was resolved before the day's end.

I remain available should you have any questions or concerns.

Thank you,

Samantha Halpin
