

Eardley Community Traditions

Think Global, Act Local

Dear Parents & Caregivers,

To foster learning and acceptance within our school walls, we are turning to our community for help.

If you are comfortable sharing your family's traditions, religions, and ceremonies, we would love to hear about them! This is not subjective to the Winter holidays. We ask you to send an email to Ms. Patrick (hpatrick@wqsb.qc.ca) or via Eardley Facebook messenger answering a few of the following prompts:

- What are your traditions?
- What do you celebrate?
- Do you wear traditional clothing?
- How do you decorate?
- Traditional foods, activities & music.
- Any other important information you wish to share!

Please include your family's name. Your information can be sent in English or in French. Families are welcome, and encouraged, to send in photos and Youtube links.

The Eardley Team will compile all submissions and share with our staff, students, and community members to learn all about our unique population's traditions and celebrations

By participating, you are giving consent to share this information within our Eardley community. The due date for all submissions is Friday, Dec. 10th.

Thank you for your support,
Samantha Halpin & The Eardley Staff
