Memo to Parents and Guardians re: Canadian Travel Guidelines

Dear Parent/Guardian,

As we approach the holiday season, you are reminded to take note of the current federal guidelines regarding travel outside of Canada. In particular:

- Unvaccinated children under 12 years of age who are travelling with fully vaccinated parents/guardians must quarantine for 14 days upon return to Canada
- Unvaccinated and partially vaccinated youth 12 to 17 years of age are subject to the 14-day quarantine, and all testing requirements for pre-entry, arrival and Day-8 tests, whether or not they are accompanied by travellers who qualify as fully vaccinated travellers.

For a full list of federally regulated travel requirements, please navigate to the following Government of Canada link:
