

GRADUATION DAY SCHEDULE

Friday, June 17th @ 9:00 am

Happy Gradation Day! We are so excited to celebrate Eardley's graduating class of 2022. Grade 6 students are encouraged to dress to the occasion and prepare for a fabulous day. See the schedule below for all grad activities.

- At your designated class time, arrive with your family, park in our parking lot (upon availability). If students are not arriving at the start of the day they are asked to arrive 10 mins before their start time and make their way to their homeroom classes. Parents are asked to make their way to the back of the school where a staff member will direct them where to go for the parade. After the parade a photo area and refreshment table in the outdoor classroom will be ready and waiting for you to take pictures with your family.
- Each class has been assigned a designated time to walk the parade. You may come with your family during your classes assigned time. It is recommended that all adults, including family members wear masks and physically distance (1m) from other families.
- We are asking families of graduating students to limit those coming to immediate family due to the larger gathering and refreshments being made available that way we can properly prepare.
- Once your child's designated class time has ended you are welcome to grab a refreshment from the refreshment tent and take pictures in our outdoor classroom while spending time with the grads. A backdrop will also be available to take photos in front of.
- The graduates will be provided a pizza lunch and dessert. Please bring water and snacks. After lunch the grads will be participating in some fun classroom activities and in the afternoon they will have a Grad dance. The entire graduating class will then get to watch their digital graduation yearbook.

Time	Class
