Suggested School Supply List

4 and 5 Year-Old Kindergarten

2022-2023

The kindergarten program requires students to have minimum one hour of outdoor learning on top of recess each day. It would be much appreciated if your child comes to school dressed for the appropriate weather. We are recommending that students have the following items for outdoor play:

- Rain boots
- Raincoat and waterproof splash pants
- Neck Warmer / scarf
- 3 pairs of socks, to stay at school
- 2 pair of mitts to stay at school(labeled)

The following is a list of items your child will need for school:

- Water bottle
- Non marking, Velcro running shoes to be left at school
- A complete change of clothing, in case they get wet or have an accident
- School bag large enough to fit their lunch box
- Facial tissue

We ask that all items are clearly labeled with your child's name

Throughout the school year your child's teacher may ask for additional items for a special class project.
