PARENTS OF ELEMENTARY SCHOOL CHILDREN WANTED TO PARTICIPATE IN A STUDY

Nature of the study :

- Get the perspective of teachers and **parents of elementary school children** on **family-school communication** and the quality of the teacher-parent relationship.

Nature of participation :

- Fill out **two online questionnaires** (±40 minutes each; fall 2024 and spring 2025) on:
 - Communication and quality of your relationship with your elementary school child's class teacher;
 - Factors influencing this relationship (e.g. personal characteristics, school environment).
- In appreciation of your participation, we will give you a **\$10 Archambault gift card** upon completing each questionnaire.

TO PARTICIPATE :

- Have a child (or children) attending a Quebec elementary school (private or public; French or English).
